## MONET IN TURIN TOGETHER WITH UNIPOL

**More than forty masterpieces directly from the Musée d'Orsay  
*Le déjeuner sur l'herbe* in Italy for the first time**

The Unipol Group is main sponsor of the exhibition *MONET dalle collezioni del Musée d'Orsay* (MONET from the collections of the Musée d'Orsay) dedicated to the great French master who was the leader of the exceptional impressionist season alongside Manet, Renoir, Degas, Pissarro, Sisley and Cézanne.

More than forty masterpieces, some of which in Italy for the first time, directly from the Musée d'Orsay will be shown at the GAM - Galleria Civica d'Arte Moderna e Contemporanea di Torino - documenting the activity of the master and some of the most significant moments of his long and complex artistic career.

The exhibition *MONET dalle collezioni del Musée d'Orsay* represents an extraordinary occasion for the Unipol Group to confirm its on-going commitment to the promotion and sharing of cultural initiatives aimed at an increasingly wider audience. The Unipol Group thus intends to reiterate its support for those who, in Italy, work to make international art masterpieces available to all. Through its support for this prestigious exhibition, the Unipol Group further strengthens its connection with the city of Turin, where one of its most important business centres is based.

This new initiative testifies, once again, the Group's desire to participate in the cultural and artistic life of the Piedmont capital, in line with its values and in the belief that the economic development of the company must progress also accompanying and supporting the cultural and social support of the community in which it operates.

With its Corporate Sponsorship Program, the Unipol Group intends to stay close to people and the community, by supporting projects that embrace sport, scientific research and social utility, the environment, entertainment, art and culture such as in the case of this prestigious exhibition dedicated to Monet.

**Because for the Unipol Group thinking of people's future also means thinking of what they love: art.**
